INTRODUCTION TO CHERI LIPS

WHAT IS CHERI LIPS?

A premium hyaluronic acid-based lip filler infused with Vitamin B12 to enhance hydration, volume, and lip health. Designed for long-lasting, natural-looking beauty.

26mg/ml of cross-linked Hyaluronic Acid

3mg/ml Lidocaine for a comfortable procedure

Soft monophasic gel with high cohesion and adhesiveness

5mg/ml Cyanocobalamin (Vitamin B12) for antioxidant and color-enhancing effects

WHY CHOOSE CHERI LIPS?

- ✓ Natural & soft plumping effect
- ✓ Deep hydration with long-lasting moisture
- ✓ Skin barrier protection & repair benefits
- ✓ Brightens lip tone & reduces pigmentation
- ✓ Suitable for lip enhancement, shape correction, and color restoration
- ✓ Perfect for those seeking gentle, natural volume and healthy lip appearance

HYALURONIC ACID & CROSS-LINKING TECHNOLOGY

THE POWER OF HYALURONIC ACID

Naturally produced in the body to retain moisture

Deep hydration for soft, kissable lips

Reduces wrinkles and fine lines

Enhances volume with a natural look

THE POWER OF HYALURONIC ACID

- Low BDDE input with dense cross-linking between H-HA and L-HA
- Long-lasting due to high enzyme resistance
- Ensures natural feel and gradual degradation
- High content HA improves shape retention and prevents migration

WHAT IS VITAMIN B12 (CYANOCOBALAMIN)?

A powerful antioxidant that enhances lip tissue health, appearance, and resilience.

THE MAGIC OF VITAMIN B12
